Intent

Not Vetted | Vetted | Planned | Recorded as Task | Completed | Discarded

The goal of the CHAZ subreddit /r/freeCapHill is to provide an accessible place for community members to hear and be heard. Suggestions, requests, complaints and verified news updates should be the primary forum content, with casual conversation redirected to another platform.

Needs

In order to successfully fulfill our intent, here are some critical needs.

Acting Roles

Note that each role is not limited to one point person, and it is in fact discouraged to have only one point person in a role.

Role	Description	Point Person
Moderator(s)	This person is primarily responsible for: • Approving new users • Managing the ban/removal of users who violate the rules (up to discretion of the moderator, within limit) • Verifying that all posted forum content follows forum rules and guidelines • Managing post flair, pinned posts, and user mail • Manage posting and updating the	

	community agreed-upon rules, as outlined in this document	

Subreddit Rules

Not Vetted | Planned | Recorded as Task | Completed | Discarded

The following subreddit rules should be published to the community and enforced by moderators

User Behavior

- Be civil
    - Racism, bigotry, hate speech, etc. should result in an immediate ban
    - Doxxing or revealing a user's personal information against their will should result in an immediate ban
    - Excessive calls for violence / increasing aggression should result in a warning from moderators, followed by a ban if user behavior does not change
- Be CHAZ specific
    - Users should be recommended to focus their suggestions, requests, etc on the Capitol Hill or Seattle area, instead of statewide or nationwide
        - Provide potential other subreddits for that discourse

Post Content

- All posts should be one of the following, and should have the appropriate flair attached for easy filtering
    - Suggestions - Ideas for how CHAZ can be better or better suit your needs
    - Complaints - Respectful criticisms about CHAZ, harmful community members (no doxxing), general discourse or CHAZ activities
        - These complaints should be highly reviewed by moderators to ensure that they are not needlessly hurtful to, blaming, or naming of individuals
    - Requests - Calls for resources or services by CHAZ community members
    - Poll - A poll for the community to gauge opinion on a CHAZ-related topic
    - News - Reliable and credible CHAZ-related news that impacts the community (no think-pieces or personal biases)
- Posts should try to use respectful language when possible (we may have kids on the subreddit!)
